MERN NEWS

MERN Fall 2017 Forum Call for Presentations –

The MERN FALL 2017 FORUM is on Friday, November 3 at Brandon University. The theme, “Learners at the Centre” provides context for a range of Manitoba-based education research:

Literacy, numeracy and assessment across subject areas including science, social studies and physical education; Teacher development including professional learning; supervision, deep leadership and capacity building in schools; Culture and identity in curriculum including Indigenous education, Malay spaces, student voice, equity, mental health and wellness.

Required for your proposal:

- Session Title
- Presenter Name(s)
- Affiliation(s)
- Abstract (150 word session description)

Please send to: heather.hunter@mern.ca on or before August 31, 2017.
