

Manitoba Education Research Network

THE MERN OCCASIONAL PAPER SERIES

CALL FOR PAPERS 2016-17

The *MERN Occasional Paper Series* publishes papers by Manitoba-based educators to share local perspectives relevant to the following themes: indigenous education, leadership education and teacher education. We are seeking education research that contributes to the field including early learning, K – 12 and /or post secondary education.

MERN is grateful for editing and desktop publishing assistance from the Document Production Services Unit, Manitoba Education and Training, and the support received from the MERN Editorial Review Committee and the MERN Editorial Board.

MERN occasional papers are published online at www.mern.ca.
